Welcome to the 2016-2017 Marching Year!!!! Don't get nervous!!! You are about to embark on a journey of greatness. You have 48 hours to clean up your parts!!! Shine your shoes, get a haircut, and clean your instruments. Take pride in your uniforms and your school. You are not just the Armijo Super Band, you are the band selected by our Congressman to Represent CALIFORNIA!!!!

Remember that a clean sweep gets you KRISPY KREME when you get home!!!!

All fun and games set aside. I know that you have been working really hard and you are ready for your first competition. This season means a lot to me. The man who was my second father passed away right before school started. He taught me everything I know and this will be my first year in 30 years that he will not be there at the end line. I would very much appreciate it if you could please give me 200% at each review. I want a perfect season for him. We may or may not reach our goal and that is ok. All I ask is that you try your best at every practice and every competition. You are the Armijo Super Band because of him in an indirect way and he was always very proud of you even though he never told you. You all mean so much to me and I know we are going to have our best year yet!!!!

Love,  
Miss Jacob
