There will be no excuses for anything that happens on Saturday. It's up to you, to come home champions. What defines a champion? A champion is one who works so hard and knows the job is never done. A champion is someone who doesn't take no for an answer. A champion pulls every bit of emotion out of them to reach the goal. A champion knows there is someone always out there wanting it more. A champion doesn't have excuses and just goes for it. So...are you a champion? Don't tell me, show me! I know you are champions inside and out, it's time to show the world.
